CQUNIVERSITY DIGITAL TECHNOLOGIES AWARDS 2024

The CQUniversity and the Business Liaison Association Inc are offering the above competition to Digital Technology students in this region. Secondary students from both state and private schools are encouraged to enter. Students can enter as Juniors (years 9 and 10) or as Seniors (years 11 and 12).

The competition aims to promote the study of Digital Technology Subjects in schools, and to encourage students who study these subjects to demonstrate their ability to apply their knowledge through Digital Technology Projects.

Please download competition details from website www.bla.org.au, and forward nomination form by **29th of August 2024**. Entries to be submitted to Joshua Whitehouse (jwhit618@eq.edu.au) or Cairns State High main office no later than 3.30pm on the **13th of September 2024**.

We encourage you to urge students to participate. Projects can either be classwork or work completed by students in their own time. Please adhere to deadlines given in order to facilitate co-ordination of this competition.

Students video presentation will be used to determine overall winner.

Any queries please contact Joshua Whitehouse on jwhit618@eq.edu.au.

PROCESS

Entrants will need to develop a short video (2 - 4 minutes) demonstrating a project they have developed.

The video will need to demonstrate their finished project as well give an overview of the reason for the project and how it was developed.

The project can be completed in any of the key areas of Digital Technologies including:

- Robotics
- App development
- Web development
- Microcontrollers
- Animation
- or interactive media.

Entrants can enter work that they have developed either in a school subject (Information Communication Technology or in Digital Solutions) or as personal project developed in their own time.
