

July 2021

Dear Colleague/s

## JACOBS ENGINEERING AWARDS

The Business Liaison Association in conjunction with Jacobs, are offering Bursaries for students interested in pursuing a career in the Engineering field at Tertiary Level.

The Awards are open to all Senior (Year 12) students in Far North Region. The Awards are in the form of a suitably engraved Plaque and a Certificate, which is supported by a \$1000 Bursary for the Winner. There will be bursaries for the Runner-up (\$700) and an Encouragement Award (\$300).

The sponsor of these Awards is Jacobs. We congratulate DATTA for co-ordinating this excellent initiative and encourage all schools to nominate suitable applicants for these Awards.

Please download details and conditions from the website [www.bla.org.au](http://www.bla.org.au) and forward Registration Form by **31 August 2021**.

Also note that each school must forward an Application Fee of \$88.00 (incl GST) to cover administrative costs of the Awards.

### Key Dates

- Application forms to Ryan McClelland by **31 August 2021**
- All entries must be forwarded to St Andrew's Catholic College by **20 October 2021**
- Presentation of Awards **30 November at the Pullman Cairns International Hotel, 5.30pm –7.30pm**
- All students receiving Awards must be in attendance wearing Formal School Uniform as required by School Policy
- Enquiries: Mark Harland [mharl21@eq.edu.au](mailto:mharl21@eq.edu.au)

### CONDITION OF ENTRY

The Business Liaison Association (BLA) encourages its recipients of awards, prizes, gifts or bursaries to promote their achievements on social media/Media and positively attribute the support provided by the BLA. Any negative, defamatory or slanderous comments regarding the BLA, its programs or sponsors will result in a cancellation of awards, prizes, gifts or bursaries.

Yours sincerely

Angela Toppin  
Chairperson

Ryan McClelland  
Co-ordinator

## JACOBS ENGINEERING AWARDS

### Situation:

Students are to develop a physical and/or virtual prototype that provides an engineered solution to a civil structural problem. Create a summary report that communicates your problem-solving process to the client and submit an engineered solution.

### Report/Folio should include the following items:

Part A - create a folio to document a solution to an engineering problem, which meets the requirements of a specified client.

Part B - provide the specified client with a summary report of the preferred solution to the engineering problem.

### Criteria for Eligibility:

- Students currently in grade 12 and participating in ATAR Engineering.
- Students must achieve B or better from school-based assessment.
- Students must be available for a judging interview if required.
- Students must be available for the presentation night if selected.

### Any questions, please contact:
